

**Calling All Packing Volunteers!**  
**Financial Assistance Requested**

Thank you for donating your time to help us package food and continue our community's fight against the devastating effects of starvation!

The cost of each meal is 25 cents, which includes the cost of the bulk ingredients, transportation and shipping. A donation of \$20 can feed a child in Africa for 5 months. With one-third of the meals being distributed in the local San Diego area, a \$20 donation can go even further!

***Please consider a donation of \$20 or more*** to help cover the cost of the ingredients. The more donations we receive, the more meals we can pack and provide to hungry children, both globally and locally.

You can bring your donation with you to the packaging event on October 23rd, or donate online prior to the event at: <http://www.fccsd.org/Donate.html>

Thank you for blessing those in need with your generosity!
